Title:

Comments: An increase in boat traffic will RUIN the peaceful nature of the lake. An increase of this size in visitors will degrade the surrounding trails. It would be a travesty to partner with a developer who only cares about making money. No, they don't care about "preserving the spirit and integrity of what is here". Put some money into upgrading the lodge and cabins, yes, but not with a developer, no matter how sensitive they try to present themselves.
