Comments: I'm just a one person, out of thousands who have visited this piece of paradise a few times with dear friend--dear old friends. Holland Lake Lodge and cabins represents one of the finest reasons for our NFS to own and be good caretakers of places like this so THAT THEY CAN BE ACCESSIBLE TO ANYONE-not just the wealthy 2% ers. Please don't let this precious national resource be cut loose from the caretakers so that ALL can enjoy this spendor. Sue Marshall
