Comments: it is horrible that the same people who have ruined the rest of the planet are given any opportunity to do this again for more money, not for nature, not for any communities but greed. What is worse that it keeps happening until what - there is nothing left and then what will they do.. fix it - BS

THE ONLY CIRCUMSTANCE THAT CONTINUES TO PLAY OUT IS DESTRUCTION, LOSS OF LIFE, LOSS OF NATURE, LOSS OF ANY CLEAN WATER OR SOIL - LOSS - ALWAYS LOSS, LOSS AND MORE LOSS.

NEVER DOES ANY BUY AND SAVE IT, STOP THE WORLD FROM DESTROYING IT PERMENENTLY

[ENOUGH ALREADY!
