Comments: Please do not turn Holland Lake into a huge fancy resort area. There are plenty of places like that already. We do not need to become Vale, Aspen, or Park City. Keep us rural, and quaint. Do not "Yellowstone" us in an attempt to earn money. If we want to keep the cowboy, rural, free range lifestyle and image, then we need to do that. Catering to out of staters who think they want to reenact what happens on a TV show isn't going to benefit our state or it's citizens. Being our unique selves should be enough to make them want to come here.
