Comments: Holland lake is a lake I like to travel to and camp at about every summer. I have been a montana citizen my whole life. The outdoors and the nature is what makes montana such a great place to live. I love taking my son to hike to the waterfall on the lake. Please don't allow the tear down the historical lodges. Please let everything stay the same on that beautiful lake we love to camp on. If you decide to allow the tear down and rebuilding of something bigger I will have to find a more peaceful and adventurous place to camp and hike. Please let this beauty be ??
