Comments: I oppose the plans of POWDR Corporation, Park City, UT, who recently purchased the small lodge and few rustic cabins on Holland Lake, to tear down most of the historic buildings and turn our Holland lake into a wealthy out of staters play ground. Their plans to build 32 new buildings on the 15 acres, including a 13,000 sq ft lodge, massive parking lots and a large restaurant right along the shores of this hidden Montana gem is another example of the exploitation of Montana.

Please deny this project and help keep Montana THE LAST BEST PLACE.
