First name: Cherie

Last name: Cassidy

Organization:

Title:

Comments: Please DO NOT allow this to happen! My grandfather. Leonard Moore, used to pack into the Bob Marshall from here, our whole family grew up in this area. Generations of us learned to swim here, we have hiked, rode horses, and had family reunions. Leave this valley in the pristine place that it is. It literally is the last best place! The locals cherish the peaceful. Out of the way, surroundings. Leave the serenity here alone!
