Comments: To whom it may concern,

Please accept this letter as a STOUT objection to the proposed development at Holland Lake, #61746. It is vital for the longevity of our own Montana standards to provide natural settings to not only residents of MT, but to our visitors. Have you not seen what has happened to Gallatin County? Can you honestly hope that other parts of the state would undergo such changes? By approving this development, our USDA/FS is demonstrating its support of such changes. Please keep Holland Lake as natural as possible. It's a true gem.
