Comments: Dear Forest Service Managers,

Please do not allow this company to destroy the Lodge at Holland Lake. Resorts are for the very rich, not the average Montana tax payer. Resorts & restaurants have problems keeping & paying staff. MT has wilderness which must be protected. Let other states entertain the rich at resorts. Protect Holland Lake as it is a rare jewel next to the Bob Marshall Wilderness. Please allow more Montanans to know about & object to this planned destruction of Holland Lake.
