Comments: I object. The mission of Flathead National Forest and U.S Forest Service is: "To sustain the health, diversity, and productivity of the Nation's forests and grasslands to meet the needs of present and future generations." How does this project meet any of these promises?

This will bring more people, more trash, more wildfires and push wildlife out of their natural territory, forcing them to gain new ground in already established ground.

I do not see any NEPA documents uploaded for our review. This is one of the top reasons we have NEPA.

Please do not help turn Montana into California, by overpopulation causing environmental and wildlife devastation.
