Regarding the rape and pillage of Holland lake

The corporation POWDR, plans to tear down most of the historic buildings to turn our beloved Holland lake into a Wealthy out of staters play ground. There will be 32 new buildings on the 15 acres, including a 13,000 sq ft lodge, massive parking lots and a large restaurant right along the shores of this hidden Montana gem.

This is another example of the exploitation of Montana.

This project is on forest service leased land please do not approve this.

Please keep Montana THE LAST BEST PLACE.
