Comments: We grew up going to Swan Valley and going to Holland Lake with our family and extended family. I would really hate to see this happen. Some things are not about making someone rich but to make families happy and reunited. When our boys were young, my dad, step mother brother in law and sister in law and kids we took them to the valley and showed them all the places Dad and Mom took us to, including Holland Lake. Please don't take away one of Montana's historical place
