First name: Pat

Last name: Keane-Richmond

Organization:

Title:

Comments: This development will completely change the quaint and quiet atmosphere of the historic Holland Lake Lodge, an escape from the craziness of everyday life. The pace is SLOW and has an amazing feeling of solitude, which is disappearing rapidly in our world. We NEED these spaces for our mental and emotional health.

Where does POWDR think they will get their support/service staff? Where will they live?

Leave the HLL alone. It is perfect as it is!
