First name: Dave

Last name: Converse

Organization:

Title:

Comments: I have grave concerns about the harmful impact of this potential project. The traffic, safety, and environmental impacts are numerous. There is insufficient infrastructure to serve the volume potential. Who stands to benefit from this? The benefit to the State of MT and to Montanans is insignificant if not detrimental overall. Please do not move forward with the grant of this lease given the size and scope of this project.
