Comments: To the USFS , I am AGAINST, the huge expansion of the Holland Lake lodge , it's extremely to large , and will destroy the beautiful area . I have been a Swan Valley resident since 1967, I grew up on Holland Lake , it's a precious peaceful place , this monstrosity that POWDR is planning is absolutely not a good idea , I'm also on the SVES it would totally overload our small group of volunteers. Put me down as a hard NO for this expansion .
