Comments: Holland Lake is one of the most beautiful places ever! Please please please do not allow a company from out of our state to ruin this gem. My family and I go there once a year to hike the falls and enjoy the quiet scenery. If they are allowed to create a huge fancy expensive facility, Only rich people will have enough money to be able to enjoy it. It will no longer be quiet. It will be tainted by the greed of people trying to capitalize on MT beauty.
