First name: Julie

Last name: Dickson

Organization:

Title:

Comments: As a biologist, I am against any playground for people who think because they have money can take anything of their liking. Our natural resources need to be protected for future generations to enjoy, for us and God's animals. This needs to be voted down and not sold out because of money. Once ruined, it will take years to get it back. NO to money, NO to so called elites!
