Comments: Please stop Holland Lake from turning into a major resort! I object to the Holland Lake Lodge facility improvement and expansion #61746. My wife and I have enjoyed the lodge for 40 years, it is a Montana jewel that needs to be saved. The lodge is very special to our family. Both of us being teachers in Montana Holland Lake and the lodge has always been on our list for things to do each summer. Quick story, I remember hiking across the Bob Marshall (solo) and telling my wife to meet me at the lodge at high noon in 10 days and I beat her by five minutes.

We have stayed at the lodge several times when our kids were little and have always made a point at either having dinner, lunch or cocktails every summer at the lodge... please save Holland Lake and the historic Holland Lake Lodge and don't turn it into a major resort.

Thank you Darryl Deeks from Anaconda Montana.
