Comments: It's time to stop billionaire development/take-over in Montana. This destruction of historical Montana, only to provide a high end playground for the rich, needs to end. If they don't like Montana the way it is - stay home. Montana tourism and lives will be ruined. Only the wealthy will be able to enjoy it. In fact, only the wealthy will be able to live in Montana. This isn't about saving the last best place, it's about lining pockets.
