Comments: I am writing this message to let you know I oppose the development of holland lake lodge and the land. This is area is very pristine and needs to be protected. Loons nest in this area and their our numerous other wildlife thst will be negatively affected, such as mountain lions, bears, deer, etc. This is basically the last best place. I will fight like hell to keep this beautiful area protected. I spend a lot of time here and this will truefully be a disaster if you allow this to happen

Sincerely David Brown
