Comments: THis Is Montana.. why are corportions buying up forest service lands.. have we not given enough to the wealthy .. when do Our Forest and animals that were here first come into the picture.. U are willing to destroy Wildlife original habitats for only the Greedy.. God created fresh water and surroundings for the wildlife to survive.. and was rustic area for a reason.. now u want the greedy to destroy our recources.. Please reconsider and do not go thru with this project as the forest and animals were here first.. Thanks
