Comments: I am so sad to hear about the proposed development on Holland Lake. My family and I have loved visiting there for many years, usually just for a hike to the waterfall or a night or two at the campground, a hot cup of coffee at the lodge. A more lovely spot would be hard to find. But the main reason it is so lovely is that it is small, unique to Montana, and not spoiled by the desire to make it bigger, better etc. YET! Please consider the one-of-a-kind resource that Holland Lake is.

It is not a big lake. I cannot even imagine it full of big motorboats and the amount of people this development would draw. PLEASE. THINK. About the consequences.
