Comments: I am in full support of the proposed development of Holland Lake Lodge. We are so lucky that Christian was willing to run the lodge for as long as he did. In order to continue to have one of my favorite places available to the public, the lodge needs to be upgraded. The proposed development by POWDR are reasonable and necessary. I'm excited for the lodge to be passed onto new owners with commitment to the property. I look forward to visiting the lodge with my family for years to come.
