Comments: Holland Lake is a special place for so many Montanans. It's a tucked away gem of the Seeley Swan and should be protected from this massive corporate expansion. This proposed project will take away the natural beauty, bring in unnecessary traffic to the area, and endanger wildlife. We need to leave some of Montana's landscape untrammelled from corporate greed where the only benefit will be their economic gain. Please stop this major expansion and protect one of Montana's last best lakes.
