Comments: Hello

My name is Phil Crawford I am a fifth generation montanan and very proud of it I was born and raised in the mission vally my family is very active in the back country horseman
Grew up spending a lot of time in the bob marshal at a very young age I spent summers working at Holland lake outfitters so yes this new proposal is outrage to me the way it is now it will ruin Holland lake, hurt the fishery, wildlife that is there . This can not go through I under stand something has to be done at Holland lake lodge but not this huge monstrosity that will ruin it I have been back there a lot since I have left mt for work just this last summer I took my kids there talked with Christian he told me about the new owners a little we walked through the lodge the old barn I know its under disarray and needs help but please not this once agian it will ruin Holland lake for the native people living in mt the average montanan will not be able to afford to go there
