Comments: I am opposed to the corporation from Utah being allowed to build and expand the recently purchased property on Holland Lake into a resort.

Montana is not an exclusive playground for the wealthy. Montana's public lands are meant to be enjoyed by everyone from all backgrounds.

This resort is reportedly meant to exclude the bulk of people who work and pay taxes in Montana year-round. I realize individually they don't have the spending power that billionaires do, but collective, their dollars very much count.

I really hope there is a way to reign in this kind of exclusivity in our state.

Thank you.
