First name: Julie

Last name: Schram

Organization:

Title:

Comments: I am committing on the Holland Lake. i see by the photo's that there needs to be some work done on all of the buildings. Up Grades for sure. How much is being planned and How much is for exspaming over what already there? Just concern that this owner and company will over do it and take a way the looks and feeling of the place. Please be very careful how much is aloud to happen here.

Thank You

Julie Schram
