Comments: I would like to object to the proposed "upgrade" and expansion of the Holland Lake Lodge in the strongest possible terms. What we are seeing, yet once again, is an out of state corporation buying up historic Montana properties, basically gutting or demolishing them, then rebuilding an out of place "luxury" resort that will cater to wealthy out of state "visitors, once again depriving the average Montana citizen of another historic and treasured camping and recreation location. This process continues over and over again, sacrificing Montana tradition to developers greed.

Please deny this project!
