Comments: I whole heartedly OBJECT to this expansion project. This will destroy one of the most beautiful lakes in Montana. I have grown up in Montana and this is not remotely close to the Montana lifestyle! This resort/corporation monstrosity idea is a cancer to this valley and Holland Lake's pristine beauty and purity. Furthermore, It would only corrode our way of life as well as decimate the valley and adversely impact our struggling wildlife populations. Therefore, this cancer should not be remotely entertained as it is not welcomed.
