Comments: I oppose the development of Holland Lake Lodge and the surrounding area. Not only is this exploiting federal leased lands, this pristine area, and the historic lodge should remain as such. As a native Montanan, I had the opportunity to stay in this lodge, and enjoy the natural beauty of the area and the building itself. The thought of tearing down beautiful, historic buildings by out of state wealthy investors is appalling. Save our history. Send big money, and out of state interests elsewhere.
