Comments: Hello, my family and I have a cabin close to Holland Lake, I absolutely oppose this lodge expansion. The lake is so peaceful, even in the height of summer, and the thought of a massive, massive increase in traffic on the dirt road, on the lake etc saddens me.

The view of the lodge and surrounding area would be altered dramatically. This can be seen from the public beach.

If this project were to be on private land instead of public land the developer would not be able to afford the land prices. So Holland Lake suffers !!!

This project would be more suited to a larger lake.

Thank you.
