Comments: I am opposed to the expansion of Holland Lake Lodge, and to ANY expansion to the area of Holland Lake Lodges lease. This is pristine wilderness , owned by the public of Montana and needs to be left as is for future generations to enjoy as it is. THis expansion offers NO benefit to any residents of Montana, it will only make another corporation money at the expense of Monrana residents. The cutting down of trees, increased traffic, and pollution will negatively impact the environment and the wildlife and water quality. This is a historic lodge and cabins and should be protected as such. Do not sell out Montana Residents to corporate America! We have already lost so much. Keep it as is for future generations
