Comments: This was a well written statement by another individual and I agree wholeheartedly.

As a United States citizen, I am an owner of the forest service land on which sits Holland Lake Lodge. I strongly and completely oppose to the proposed development (facility improvement and expansion) of Holland Lake Lodge. Cutting down trees, removing historic existing buildings and replacing them with a huge, commercial mega-lodge will destroy the peaceful and sublime environment that makes Holland Lake a gem in the treasure chest of our Treasure State. As an almost lifetime Montana resident who enjoys recreation on Holland Lake I object to the proposed Holland Lake Lodge project. No amount of financial profit for the forest service or any of Montana citizens warrants the destruction of the pristine environment of Holland Lake.
