Comments: Holland Lake Lodge and the sight that it sits on is incredibly important to the Swan Valley. It is peaceful, beautiful and full of wildlife and scenery. The proposed project is not a good fit for our beautiful valley...one of the remaining quiet and authentic places in the state. Please don't approve this plan.

I am a long time (native) Montanan and I spend a substantial amount of time in the Swan at Lindbergh Lake. For context, I sell real estate. I am not opposed to all development but feel that we are at a tipping point with our state in which all decisions must be made very thoughtfully.

The Swan will continue to attract tourists seeking quiet and wildlife. This lodge development is not the right fit for this area.
