Comments: We are opposed to the proposed expansion of the Holland Lake Lodge into what appears to be an expensive, high-end destination resort. Holland Lake is truly a gem in the state and country, and we don't want to see it ruined with unnecessary development. This small, 2-mile long lake cannot support the proposal.

We have lived in the area for 58 years and have frequently enjoyed the rustic comfort of the Holland Lake Lodge and its facilities in a remarkably beautiful and unspoiled setting. We could understand minimum improvements to correct structural deterioration and to improve safety and comfort.

There is a local flavor in this site. An out of state developer can't appreciate that.

Please don't let it happen!
