RE: Holland Lake Lodge Facility Expansion

Thank you for this opportunity to comment. Please accept these additional comments from me on the Holland Lake Lodge Facility Expansion Project on behalf of the Alliance for the Wild Rockies, Center for Biological Diversity, Council on Wildlife and Fish, and Native Ecosystems Council (collectively "Alliance").

Who is the POWDR corporation?

Is the Holland Lake Lodge Facility Expansion proposal in compliance with the Federal Acquisition Regulation Act?

Federal Acquisition Rule 52.203-13 requires a government contractor to timely disclose, in writing, to the agency Office of Inspector General whenever the contractor has credible evidence that a principal, employee, agent, or subcontractor of the contractor has committed a violation of the Civil False Claims Act or a violation of Federal criminal law involving fraud, conflict of interest, bribery, or gratuity in connection with the award, performance, or closeout of a government contract or any related subcontract. The individual making the report must be an officer or manager empowered to speak for the company.

Please disclose to the public and let the public comment on this disclosure if any of the members of the POWDR corporation have been involving fraud, conflict of interest, bribery, or gratuity in connection with the award, performance, or closeout of a government contract or any related subcontract.

Thank you for your time and consideration of our comments.

Sincerely yours,

Mike Garrity
