Comments: I have been going to Holland Lake for the last decade, my mom and dad used to go there in the 1970's. It is a wild and scenic place that should stay wild and scenic and open to the public. The campground and existing lodge plus day traffic make it an already bustling place. I believed strongly that a lodge expansion will have a negative effect on the area - increasing the impact on the surrounding trails and lake. Privatization is not the answer. This is public land. Please do not allow the expansion of the lodge. Please fight to preserve this beautiful and special place for all Montanans!
