Comments: USFS: Please do NOT approve the takeover of Holland Lake by POWDR for expansion by the corporation which caters only to those with more money than they know what to do with. That action will serve only the ultra-wealthy taking away access from the citizens who own this public land. So much of MT is being taken away from public access while serving the wealthy few who are robbing the public of that which belongs to all of us. PLEASE DO NOT GO THROUGH WITH THIS ACTION. Save Holland Lake for all of us. It is a treasure that should not be up for sale.
