Comments: I oppose the expansion of Holland Lake Lodge. The impact of this will forever change the habit, and this most special place. The traffic and number of people coming and going will impact the road and area surrounding this area. It will lose its natural beauty which we have all loved, and become a bigger venue for concerts, events, leading to increased traffic, garbage, dust on the road. We have enough of these venues already, and this beautiful lake should remain as it is.

Thank you for considering the impact this would have on our environment and lifestyle.
