Title:

Comments: I am adamantly opposed to the changed use / expansion of the historic Holland Lake Lodge and the potential it has for harming the lake, the increased use on a very dangerous trail into the Bob Marshall Wilderness as well as the local lifestyle and character of the area.

To consider this action under a Categorical Exclusion would be a travesty to the public. Please realize you are wildly outside the scope of what should be considered under a CE and move at least to an EA.
