Comments: I am opposed to the proposed resort at Holland Lake. I love the rustic and natural feel of Holland Lake and really do not want it developed into a resort. There are enough places in Montana for the rich tourists. Please leave Holland Lake wild and natural, and protect the native plants, animals, and atmosphere. I am also concerned that building out the resort would also result in future expansion and development. Please leave Holland lake the way it is-relaxed and natural and definitely not a resort.

I am not opposed to remodeling the lodge, but I am opposed to expansion and new buildings. Please preserve this beautiful lake the way it is.
