Comments: I'm a fourth generation Montanan and I have two kids. We camp every summer at Holland Lake. There are a lot of special places in Montana, but Holland Lake is the most special to our family. My daughter pesters me for weeks leading up to summer vacation about when we'll go.

It's one of the most beautiful places in the world and I think it would be a horrible tragedy to let it go the way of Flathead or Seeley. There are less and less places that are truly wild, while still being accessible. My daughter has a disability, so hiking miles up a mountain to spend time in nature is not an option. Please don't let one of our favorite places be destroyed.
