Comments: I am a Montana resident. I have lived and worked in the Swan for many years. I have camped, skied, hiked and paddled Holland Lake, a favorite quiet place for many. My daughter chose the Holland Lake Lodge (of old) as a venue for her wedding.

I object to the commercialization and expansion of HLL, which resides on PUBLIC land. We are loving Montana to death. Please, draw a line in the sand, NOW. No more!

Please, preserve this pristine piece and keep it low key, quiet and beautiful.

Thank you!

Dr. Margaret Bortko
