Comments: I am adamantly against upgrading and expanding Holland Lake Lodge. Even in its current state it is beyond being affordable to all but the elite. Expansion will likely worsen this situation, a la Paw's Up or they will pack too many people in to justify their investment. Additionally, Holland Lake is already too crowded many days of the year.

Furthermore, POWDR has a horrible reputation. They've ruined Mt. Bachelor, an example. They are more interested in turning a profit than offering a quality product.
