Comments: Please don't allow GTR to expand. I've lived in Victor Idaho for over 2 decades now. As a homeowner and an avid snowboarder and skier, I firmly believe, this will RUIN the community that we all love. Jordy Gillette is an awful money monger who treats his employees and community members horribly. He does not need, nor deserves to ruin this beautiful community, let alone kill what is left of the wildlife here.

Please, please don't allow this expansion[hellip].. for our future[hellip]. Our childrens future depends on it
