Comments: I am Completely against any proposed development at Holland lake. THIS IS OUR PUBLIC LAND/ Not to be leased out by development that will way increase traffic, bringing way more tourist to the area, that will increase wildlife deaths, along with ruining the environment, as in vegetation risks ,threatened and endangered species,, the sustainability of water, wastewater problems, and scenic value,. I CAN T STRESS MORE THAT not one LOCAL IS FOR THIS PLAN, IT'S ok to keep things as is , we are growing more than this swan mountain range can deal with as it is. Why have so much more occupancy, more parking MORE -R.V. spots, more cabins which brings more employees , much more to the current limit of development, line as now . is so wrong ,, leave it alone, the beautiful lake will get over loved ,the detriment of the natural character, will be wiped away forever and polluted. i want my voice heard along with many opposing this from all over Montana whom love this area as it has been., THE expansion into the undeveloped Swan Valley cannot support this expansion without nothing but NEGATIVE results.-- HANDS OFF Holland Lake.
