Comments: I am against the expansion development of Holland Lake lodge. I have been going to the area since I was a young child and it's perfect the way it is. A big development like what is proposed doesn't belong in the fragile environment and, special place like Holland lake. The lodge is perfect like it is. It's a special place. I love the old lodge and am concerned about what will happen to the wildlife in the area. Please don't allow the new owner to ruin it.
