Comments: As a local and resident of Seeley Lake, I'm very upset with and do NOT agree with the proposal to expand the Holland Lake Lodge. The fact that it's even being considered is absolutely appalling! Basic common sense dictates that since this is PUBLIC land it should be preserved for the use and enjoyment of the PUBLIC instead of allowing some out of state company to build on and profit from our public land! Please do the obvious right thing and do NOT approve this proposal. The amount of destruction and harm this would bring to the environment and ecosystem can not and should not be allowed. "Caring for the land and serving people"....prove you actually mean this and do NOT allow the Holland Lake Lodge expansion!
