First name: Valerie

Last name: Hedquist

Organization:

Title:

Comments: The Holland Lake Expansion is an encroachment by commercial interests onto public land that is recognized lynx and grizzly bear territory.

Building new structures, including a restaurant and a lodge, will damage the fragile ecosystem that supports wildlife around the lake.

It isn't necessary to ruin every beautiful wild place in Montana and give business/commercial interests the opportunity to use public lands to make money. Instead, protect these wild places for all of us taxpayers.

Valerie Hedquist, Silver King Ranch, Montana
