Comments: My name is Andrew Althausen and I'm a Montana resident who has resided in Missoula for 18 years. My family recreates at Holland lake every year spending a week at the campground. My wife and I got married at Holland lake lodge. It is a very special place for our family. Though I am not against some upgrade and expansion of the lodge I feel the current proposed expansion is against the character of Holland lake and the Wilderness surrounding it.

I AM AGAINST THIS PROPOSED EXPANSION.

Thank You
